

Health and Safety Policy Statement of Intent

Royland Contractors Ltd regards Health & Safety at Work as a business priority and requires the co-operation of all employees to establish and maintain high standards. We believe all injuries and occupational ill-health can be prevented and in pursuit of this aim, our policy is: -

- To provide the resources necessary to create and maintain a safe and healthy working environment and systems of work for all our employees, contractors and visitors.
- To commit to the prevention of injury and ill health and continual improvement in occupational health and safety management and performance.
- To comply with all applicable legal requirements and to any other occupational health and safety requirements to which we subscribe.
- To provide such information, training and supervision as is needed.
- To prevent our activities and omissions adversely affecting the health and safety of others.
- To regularly set and review health and safety objectives and targets at all levels within the company.
- To ensure every person's responsibility and accountability for safety is clearly defined and understood.
- There will be a formal annual review to ensure our policies are effectively implemented, monitored, kept up to date and reflect business change both internally and externally.
- To work in partnership with the workforce on matters of health and safety.

This policy will be made available to all employees and other interested parties
